Workshop Name	AEC Daily Course Code	Credits
Advantages of Cold Applied Roofing Systems	AEC 718	2
Aluminum Commercial Windows: The Basic and Beyond	AEC 1023	2
An Introduction to Priming	AEC 356	2
An Overview of Commercial Rolling Door Products	AEC 615	2
An Overview of Masonry Mortars	AEC 629	2
An Overview of Pest Bird Deterrent Systems	AEC 581	2
Architectural & Security: Gate & Fencing Systems	AEC 379	2
Cementitious Materials in Concrete: Performance & Sustainability	AEC 371	2
Coating of Aluminum Extrusions	AEC 618	2
Coatings for Steel Railing & Fence Systems	AEC 678	2
Color Foundations	AEC 016	2
Concrete Restoration, Joint Treatment, and Crack Repair	AEC 721	2
Controlling Moisture Movement In Buildings: The Complete Approach	AEC 788	2
Designing for the Effects of Wind on Metal Roofs: Tests and Reality	AEC 1066	2
Designing With Spray Foam Insulation	AEC 1033	2
Durability in Commercial Roofing Assemblies	AEC 193	2
Effective Waterproofing	AEC 527	2
Elevated Outdoor Flooring System for Stone and Tile	AEC 897	2
Exterior Perimeter Steel Pedestrian Security Gates	AEC 779	2
Fire Safe Building Design: An Introduction to Automatic Sprinkler Systems	AEC 1025	2
Green Building Entrances: Mats & Gratings that Perform	AEC 939	2
Green Roof Design Considerations	AEC 698	2
High Performance Wall Systems Using Manufactured Rainscreens & Drainable Housewrap	AEC 9933	2
Innovation in Intumescent Coating Technology	AEC 810	2
Innovations in Segmental Retaining Walls	AEC 1028	2
Introduction to Firestopping	AEC 746	2
Liquid Resin Membrane Systems: Seamless Waterproofing Solutions	AEC 685	2
Low Slope Roofing: Why Choose Thermoplastic Single-Ply Roofing Systems?	AEC 1048	2
Metal Roof Design: Top 10 Problems and How To Solve Them	AEC 1068	2
Metal Roof Systems: Design & Installation Considerations	AEC 471	2
Moisture Management in Walls	AEC 117	2
Paint 201: Practical Solutions & Problem Solving Techniques	AEC 067	2
Paint Technology: Chemistry and Performance	AEC 508	2

Porcelain Tile: Beyond Recycled Content	AEC 522	2
Precast Concrete Security and Sound Barrier Walls	AEC 1072	2
Pre-Engineered Steel Stair Systems	AEC 591	2
Prefabricated Stainless Steel Railing Systems	AEC 1071	2
Promoting Tree Health in Urban Environments	AEC 740	2
Recycled HDPE Plastic Lumber: Performance Characteristics and Applications	AEC 703	2
Rooftop Pipe and Equipment Support Systems	AEC 565	2
Rust Prevention 101	AEC 699	2
SBS Modified Asphalt Roofing and Underlayment Systems	AEC 473	2
Slate Roofs in America: An Enduring Architectural Statement	AEC 717	2
Sustainable Water and Stormwater Management	AEC 525	2
The Design Advantages of Synthetic Roofing Solutions	AEC 266	2
The FRESH Approach to Choosing Exterior Colors	AEC 585	2
Thermal Bridging Solutions For Balconies and Masonry Support	AEC 1051	2
Trash, Recycling, and Linen Chutes: Components and Installation	AEC 633	2
Use of Coatings to Prevent Mold and Mildew Damage	AEC 202	2
Using Water Repellants to Prevent Water Intrusion Into Above-Grade Masonry	AEC 128	2
Vinyl: Building a Sustainable Future	AEC 1058	2
Walkable PVC Roof Deck Membranes	AEC 639	2
